Debit Card

Note: If your employer is providing you with the isolved Benefit Services prepaid Benefit Card, please review the following information.

Since you've enrolled in the Flexible Spending Account you may be receiving two prepaid benefit cards at your home address for you and your family members to use. The cards will arrive in a special envelope that looks like this – so please don't throw it out!

With the card, you don't have to pay cash up front, file claims and wait for reimbursement.

Accessing your account is ...

- Easy – a simple swipe of the card makes it hassle free!
- Automatic – funds are immediately transferred from your FSA at the time you incur the expenses.
- Convenient – there are no manual claim forms to submit.
- Simple to track – your current balance is available 24/7 at www.isolvedbenefitservices.com.

Note: The Benefit Card expires after five years. There is a **\$5.00 replacement fee** if the card is destroyed prior to the expiration date, lost/stolen, additional cards requested or not received.
