

Introducing Health Shopper.

The easiest way to learn about, shop for, select, and purchase FSA eligible retail items

We at isolved are pleased to announce the availability of Health Shopper, an e-commerce website designed around shopping for FSA eligible items and purchasing via the Amazon.com shopping experience.

Health Shopper lets you search and shop for a wide array of FSA eligible items. Health Shopper delivers a custom-curated product list, with seasonal recommendations, topical content and superior search functionality. It is provided to you via a familiar, comfortable e-commerce experience through Amazon.

Value

- Health Shopper will continually highlight coupons and special deals on eligible products
- Free two-day shipping for Prime customers on FSA items

Experience

- Find the lowest prices for health goods on Amazon!
- Save on shipping with an Amazon Prime membership

Convenience

- Shop for items for a healthier life and family anywhere and anytime you have an Internet connection
- Only FSA eligible products are found on Health Shopper

Savings

- Discover and search for products on Health Shopper
- When you select to purchase a product, you will be guided to Amazon to complete the purchase
