

You will receive two Prepaid Benefits Cards in the mail at your home address.

They will arrive in an envelope that looks like this –

Call the number on the sticker on the front of your card to activate it.

Now you can start using your Prepaid Benefits Cards to pay for prescriptions, doctor out-of-pocket amounts and lots more qualified expenses – all without spending your *cash*. What could be easier?

Your Prepaid Benefits Cards is loaded with the value of your annual FSA election amount (less any amounts you have already spent in this plan year). Using your card helps you keep cash in your wallet and makes accessing your FSA funds easy.

The card can be used to pay for qualified health care expenses such as:

- Prescription and health plan copayments, deductibles and coinsurance
- Amount due on medical and dental statements
- Orthodontics
- Mail-order or online prescription invoices
- Vision services and eyeglasses
- LASIK surgery
- Eligible over-the-counter (OTC) items

You'll simply swipe your card each time you incur a qualified health care expense and the amount of your purchase will be deducted from your FSA – automatically. You can also fill in your card number on bills you receive from providers to pay the amount you owe. You'll have no claim forms to complete and you won't have to wait to get a check in the mail. You can check balances or account details anytime – online or with the mobile app. It's that easy!
